Aetheria Academy of Resonance and Weaving

Academic Calendar

Aetheria Academic Calendar

AUTUMN CYCLE (September - December)

September

- Sept 1: The Aether-Train departs Central Terminus at 11:00 AM sharp. Students must cross the shimmering distortion between platforms 9 and 10. Arrival at Aetheria Academy is scheduled for 6:00 PM, followed immediately by the Resonance Attunement Ceremony in the Grand Nexus.
- Sept 2: Autumn Cycle classes officially begin. First-year students are given a tour of the Quadrants.
- Sept 15: Skyball team tryouts begin. Hover-boards are inspected by the maintenance droids.
- Sept 30: Deadline for changing elective courses (3rd years and above).

October

- Oct 15: First Hogsmeade-equivalent trip: The Aetherium Bazaar. Open to 3rd years and above with a signed permission slip.
- Oct 31: The Festival of Luminescence. A grand feast celebrating the discovery of the Resonance Crystal. The Grand Nexus is decorated with floating, glowing orbs.

November

- Nov 5: Skyball Season Opener: Ignis Quadrant vs. Umbra Quadrant.
- Nov 20: Mid-Cycle examinations for all students.
- Nov 28: Second trip to the Aetherium Bazaar.

December

- Dec 10: The Winter Chill sets in. The lake freezes over, and students are permitted to practice kinetic-skating.

• Dec 20: The Crystal Gala. A formal dance held in the Echo Chamber, open to 4th years and above. Dress robes required.

• Dec 22: The Aether-Train departs for the winter break.

• Dec 25: Winter Feast for students remaining at the academy. A smaller, more intimate gathering with the faculty.

SPRING CYCLE (January - June)

January

• Jan 5: The Aether-Train returns. Spring Cycle classes begin.

• Jan 15: Skyball Match: Aeris Quadrant vs. Terra Quadrant.

• Jan 30: Career counseling begins for 5th-year students to discuss M.A.T. requirements.

February

• Feb 14: The Harmonic Convergence. A celestial event where weaving requires half the usual energy. Classes are suspended for safe experimentation.

• Feb 28: Third trip to the Aetherium Bazaar.

March

• Mar 15: Skyball Semi-Finals.

• Mar 30: The Spring Equinox celebration. Botanist Thorne unveils the blooming of the rare Star-Lotus in the greenhouses.

April

• April 5-15: Equinox Holidays. No classes. The library extends its hours for revision.

• April 20: Final Skyball Match. The championship cup is awarded in the Grand Nexus.

May

• May 1: Core Resonance Assessments (C.R.A.) practical exams begin for 5th years.

• May 15: Master Attunement Trials (M.A.T.) written exams begin for 7th years.

• May 30: All standard exams for years 1-4 and 6 begin.

Aetheria Academy of Resonance and Weaving

June

- June 15: Exam results are posted in the main corridors.
- June 25: The Leaving Feast. The Grand Prism is awarded to the Quadrant with the most accumulated points.
- June 26: The Aether-Train departs for the summer holidays. Students are reminded that the Underage Weaving Restriction is in full effect during the summer.
